

BERESFORD

BEACON HILL

Standing behind the original Beresford winery, Beacon Hill has been guiding local pilots for many years. Likewise you can depend on Beacon Hill - consistently balanced, fresh, aromatic wines with true varietal expression sourced from renowned regions within South Australia.

Beresford - Intensely passionate wines.

SAUVIGNON BLANC

VINTAGE

2011

REGION

South Australia

The fruit for this wine was selected from the Adelaide Hills, a region renowned for its high altitude and cool climate, perfect for producing intense Sauvignon Blanc characters.

COLOUR

Bright clarity, pale straw.

BOUQUET

Tropical and citrus aromas with grassy undertones.

PALATE

Lifted tropical fruit and Royal Gala apple characters. Well-balanced, lively acidity and great persistence of flavour.

**WINEMAKING
TECHNIQUES**

Grapes are picked on both colour and flavour development. Fruit is machine harvested in the cool of the night. Cold settling and juice clarification prior to fermentation are used to enhance fruit purity. Cold fermentation in stainless steel tanks with neutral yeast ensures optimum development of varietal characters. Following maturation the wine is blended and prepared for bottling.

ALCOHOL

12.5%

PH

3.42

ACIDITY

5.38 g/L

SUGAR
