

REVIEWS – BERESFORD

Beresford McLaren Vale 2008 Shiraz

“Blackberry fruit. Brambly palate. Herbal notes with liquorice.”

Judges comments – Silver Medal Winner - International Wine Challenge 2011

“This wine has layer upon layer of rich, ripe shiraz fruit indicated first by a dense colour and then by the nose. But the trick is in the taste. It is soft and sumptuous and has a finish leaving you looking for more.”
Ross Noble – The Courier (SA) – ‘Good Quality Wines of Excellent Value’ – October 19, 2011

Beresford McLaren Vale 2007 Shiraz

“The Beresford McLaren Vale Shiraz 2007, has juicy, sweet fruit with a subtle spice adding complexity and has restrained use of oak. It too won silver in international competition.”

Ross Noble – The Courier (SA) – Wine with Ross Noble – September 8, 2010

“The Beresford McLaren Vale 2007 Shiraz is deep purple in colour, and its nose gives way to black-cherry and black-olive flavours with background oak. The palate is soft, smooth and silky with blackcurrant fruit evident. The subtle tannins and oak are nicely interwoven into the wine. The finish is full-bodied, dry and velvety with lashings of ripe McLaren Vale fruit.”

Beresford Langhorne Creek NV Chardonnay Pinot Noir Sparkling

“Mrs Toad – That’s a very pretty wine. I love the colour and I like the foam in the mouth. It says ‘high tea’ to me – little cakes with dobs of cream and cherries.”

“Edna Newt – Berry nice indeed! Yes, I get lots of red fruit....and apples? At that price, it definitely puts the bubbles in my tank. More, please. No – MORE!”

“Lady Axolotl – Surprisingly good! I wasn’t expecting much from the nose but it’s very sherbet-y, chalky and long. Great summer drinking.”

Adelaide Hills Magazine (SA) – Review Team: Mrs Toad & friends – The Summer Edition January 2011

“With a salmon pink colour and creamy texture, this refreshing sparkling has delicate red berry flavours with crisp apple and some yeasty, croissant-style characters adding depth. Very flavoursome.

Winemaker Justin Coates recommends matching with pan fried ginger scallops or baked cheesecake with berries – appealing to both the sweet-tooth and savoury inclined stylish sipper!”

Katrina Holden – Sip Your Style - October 21, 2011

“Full salmon-pink in rose style; a well put together young wine with plenty of life and zest; has length and isn’t too sweet. Rating: 87 Points.”

James Halliday – Australian Wine Companion – January 2, 2011

Beresford Highwood McLaren Vale 2010 Pinot Grigio

“Estery, citrus nose and crisp, citrusy fruit palate with slight oily texture and good acidity.”

Top 40 Best Buys – Winestate Magazine – March / April 2011

Beresford Highwood 2007 Shiraz

“There’s some gutsy flavour to be enjoyed here. It’s blackberried and mad brackeny, tarry and warm, with wisps of musky oak and a sound, fruity finish. Good at the price. Solid and substantial, if unsophisticated Rated: 87 Points.”

Campbell Mattinson – The Wine Front – October 7, 2010

“Has plenty of black fruit flavours and largely avoids the toughness of the vintage. Rating: 87 Points.”
